

Mercury Medical[®]

Your Need ... Our Innovation[®]

SERVICE OFFER ON ALL AESTIVA MODELS

GE Datex-Ohmeda has announced the End of Life for the entire series of Aestiva anesthesia machines as of June 30, 2020.

Mercury Medical is available to service these machines and will continue to do our best to support the Aestiva machine with our factory-trained technicians.

**Call Today
for Service!**

If you are a current customer & need immediate service call our **Dispatch Line at:**

888-985-2988

If you would like to maintain annual scheduled service with a service agreement, this option is also available with Mercury Medical.

Should you prefer to replace your equipment due to age or functionality, we would be pleased to provide you with competitive pricing on one of our certified refurbished or new anesthesia machines.

Contact **Matt Stone** for additional information at **727.573.4942** or email: MStone@mercurymed.com
